Description

On a hill above the village of Kokkino Cheri, an original single-level stone villa of 120 m² is for sale. The villa was built in 2008 and is in excellent condition.

The villa is made in the Cretan style: stone arches, wooden ceilings, exposed masonry of the internal walls, wooden floors.

The villa consists of an open-plan dining room - kitchen, a separate living room with a panoramic view of the sea, 3 bedrooms and 2 bathrooms (shower with toilet and hammam).

The area around the villa with an area is partially fenced with a stone fence. This is a

vast territory from any point, from which a fascinating panoramic view of the sea and the White Mountains opens up.
